

9/9/08

“Our History, Our Heritage” is the theme for this year’s parade and jamaica. We will be celebrating of the tenth anniversary by highlighting aspects of previous celebrations. Cultural historians will present the art and music from diverse Latino heritages at La Pintaresca Park, on the corner of Fair Oaks and Washington Boulevard. This family event will welcome all that have an interest in learning more about the Latino experience and will be a wonderful opportunity for interaction among generations, cultures and experiences.

Please join us as a sponsor of the 10th Annual Latino History Parade and Jamaica. You will provide an opportunity to bring together community members, local elected officials, children and families to learn about and celebrate the many cultural traditions, contributions and experiences of Latinos. This is a pivotal year in the history of this organization and we ask you, to be among the first to contribute toward the effort to raise the \$20,000 needed to stage this great celebration!
